BIU = Basic Income Unit

Footnotes:
1. Represents fiscal year (April 1 - March 31).
2. In the formula grant calculation, graduate BIUs and formula fees are drawn from 1975-76 enrolment reports, while undergraduate BIUs and formula fees are (a) funding base (average of BIUs on formula fees for 1974-75, 1975-76 and 1976-77) plus or minus half the difference between funding base and moving average (average of BIUs or formula fees for 1975-76, 1976-77 and 1977-78). Also included in the above formula fee figures are foreign fee supplements for 1977-78. These are calculated on a current year basis.
